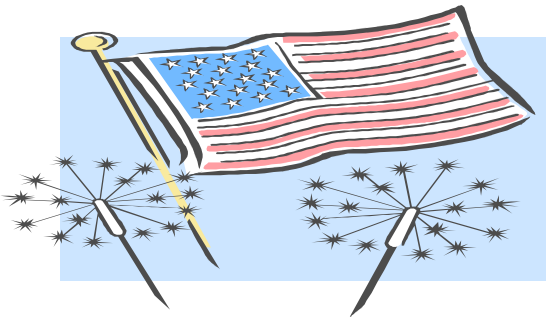
Be safe this holiday weekend!



Sunday school shines on throughout the summer. Moms, dads and caregivers send your child upstairs while you are in bible study. Your child can participate in various supervised activities including: bible lessons, crafts, games and play.

—

Remember to practice benchmarks – help your child to learn Lord's Prayer (pre-k), Apostle's Creed (K), 10 commandments (1st), New Testament (2nd), Old Testament books of the bible (3rd), select Bible Verses (4th-5th)

**Our VBS Expedition is over and we had a wonderful time discovering God's love. Thank you to all who donated supplies so our children could participate in crafts, snacks, songs, games and stories. Thanks to ALL who volunteered their time so the kids could receive God's word. VBS could not survive without the awesome support of our church members! We hosted 97 registered children (69 non-members)!**

## Try this...

One way to make a splash this Fourth of July is by treating your kids to tall glasses of Patriot's Punch. Simply fill an ice cube tray with a red or blue fruit-flavored beverage (such as PowerAde, Gatorade, or Kool-Aid) and let the cubes freeze solid. Then drop three or four colored cubes into each glass, pour in flavored seltzer water or clear soda, and watch the special effects. As the cubes melt, colored bubbles will swirl through the seltzer.
