Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

The children had the opportunity to plant flower seeds and learn the different stages of seeds growing. Prayer, gentleness, confidence and generosity were all talked about while learning and watching plants sprout and grow.

Our theme for the first part of April is about the Easter holiday and the celebration of Jesus’ death and resurrection. The children will talk about “mixed emotions.” Being sad that Jesus died, but happy that he now lives. The children will have several happy/sad situations throughout the month.

The second part of April the theme is Earth Day and creation. The preschoolers will be learning about our environment. Recycling will be discussed and practiced with the children. The children will explore God’s creation and marvel at all the things God has made.

Easter week the children will be busy coloring eggs and hunting for eggs hidden outside, weather permitting.

April will be an exciting month for the PreK room. They will be heading to Circa21 on April 14th to see Junie B. Jones.

May 3rd, Little Blessings will have seven children graduating during the 10:30 church service. This is a very special time in these children’s lives, and the first major step before heading to Kindergarten.

During the month of March we welcomed two new children, and welcomed one back that had to leave us temporarily. Unfortunately we had to say good bye to a little girl in our 2-3 room. During April we will welcome two new infants. Once again our center will be full. What a blessing God has given us.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith about God and enjoy this life God has given to everyone of us. May God Bless you and your families now and always.

In Christ,
Terrie
