Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

I'd like to thank the church members who came out on March 20th to help paint the educational wing of the church. With a fresh coat of paint, this part of the church sure looks great. Within a couple weeks, we will have picture frames painted on the walls to display the children and teachers pictures. If you haven't checked out the educational wing, walk back and see how great it looks.

The children will be talking about the Easter holiday and the celebration of Jesus' death and resurrection. Along with understanding “mixed emotions” (sad that Jesus died but happy that he now lives), the children will have Easter egg dyeing and egg hunts for Easter.

After Easter is over the children will be doing activities about Earth Day and creation. We will be talking about taking care of our planet by recycling, throwing trash in bins, and conserving electricity.

The Pre-K will be learning about the letter S, T and U during April. With spring upon us, the children will be doing Spring activities, including getting ready to plant their garden. Lettuce, radishes and peas will be planted after the garden boxes are made and the soil is prepared. The children will also be planting flower seeds in the flower boxes on the playhouse. Check out our playground in April to see the children's work.

Our Pre-K Kindergarten graduation will be on Sunday April 25th at the 10:30 am worship service.

Our summer program still has a few openings, if anyone is looking for daycare for school age children.

In Christ,
Terrie
