Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

The Lions Organization was at the center on Feb 2nd and 3rd to do vision screening for all the children. This is a wonderful and free program for all children 6 months to 48 months of age.

Dr. Matt Cannon from Dentistry Unlimited will be at the center on Feb. 24th to talk with the children on good teeth brushing and choosing good and healthy snacks.

The children will start February off by talking about the color blue and how Jesus calmed the storm, and to know who they can trust. After talking about trust, the children will be discussing how God made them for a purpose and loves them just as they are. After trust and love we fall into Valentine’s Day, which reassures the children about loving their families and friends and being a good neighbor to everyone they meet. The children end the month with learning about President’s Day, and starting to appreciate the characteristics of a godly leader.

We have started our list for the Summer school age program. If you are in need of daycare this summer for school age children or know of a family in need of daycare, please contact the office.

Our new playground equipment has been ordered and will arrive sometime after April 1st.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith in God and enjoy this life God has given to everyone of us. May God bless you and your families now and always.

In Christ,
Terrie
