Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

It's hard to believe the year 2009 has come and gone. 2009 has brought several changes to the center. The biggest one was the restructuring of the PreK room. It's such a blessing to see the children learning to write and sound out the letters. The room runs so smooth now with all the changes and added manipulative. We were able to order more playground equipment which will be delivered in the spring of 2010. The center has also set aside money to repaint the hallway. The PreK children ended the year with a musical at St. Ambrose and Circa21 in December.

I'd like to personally thank our outgoing daycare board. It has been a pleasure to work with all of you the last couple years. We have tackled and achieved many tasks. I'm looking forward to working with our new board this year. The daycare staff would like to welcome the new board.

The center had our annual Christmas program on December 14th. We were lucky we only had to reschedule the program once this time. A fabulous power point was made by Pastor Steve of the children and activities from the past year. If anyone would like to see the power point, or get a copy of it, please let me know.

The month of January, the children will learn about John the Baptist, the Lord's Prayer and how Jesus healed the blind man.

Our children are so blessed to have “Jesus Time” every Tuesday and Thursday mornings with Pastor Steve and Pastor Larson. The children look forward this “Jesus Time” and when the children have to miss their “Jesus Time” they become quite upset. For a lot of the children, this is the only “Jesus Time” they ever receive in their lives.

We are starting to take registration for our summer program for school age children. This upcoming summer we will have an opening in our Infant room. If anyone knows of a family in need of care, please have them contact the center.

In Christ,
Terrie
