Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

June was a very full and fun month for us. This included a field trip to the Agriculture Center in Muscatine. This was a good experience for the children as they were able to see and pet some farm animals. We were able to ride the Channel Cat. It was a fun day on the river. Another fun event was Circa 21’s presentation of the play Go Dog Go. The Mississippi Valley Blood Bank came to give us information about keeping healthy and how donations of blood help save lives.

July will bring us more fun activities for the children. The school age children will continue to take swimming lessons at the Y. Some of the children will go to Cold Stone Ice Cream, the Wapsi Nature Center and Fun Town in Eldridge.

The children attended Vacation Bible School this past week. The lessons for July will center on the Old Testament lessons about David.

We hope that you are having a fun summer basking in Jesus love for you.

In Christ,
Donna
