Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

It’s hard to believe it’s already July. We have been having so much fun this summer at LBDC. We started off by tie-dyeing our field trip shirts. It was a little messy, but a very good time.

We learned a lot about safety in the month of June. We had visitors from the fire department, police department and the blood center. We also blasted off to Rocket Park, concert on the lawn, and the library. The school age children have started swim lessons at the Bettendorf YMCA, went bowling, saw sea creatures at the IMAX, and even went to the Scott County Jail.

We have just as many fun activities planned for July. All children will be learning about community helpers, friendship and joy through music. Also, as a reminder, Vacation Bible School is July 20 – 24. All children three and older at the center will attend. Last year’s VBS was so much fun that we are still singing the songs we learned. We’re looking forward to it again this year.

We will be keeping very busy in July with several field trips planned. We will be attending another concert on the lawn as well as the library. We will also be going to Niabi Zoo. The 2-3 and Pre K room will get to play at Fejervary Park and visit their petting zoo, while the school age children head out to Wapsi Environmental Center. The Pre K room and school age children will be going to Circa 21 and Maggie Moos. On July 31st, we are planning a fun day at LBDC. There will be games and water play throughout the day, along with grilling our lunch and having a sundae bar. Anyone that would like to join in on the fun for our fun day, just let us know.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith in God and enjoy this life God has given to everyone of us. May God Bless you and your families now and always.

In Christ,
Terrie
