Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

We start the summer program off with a trip to the new agriculture/FFA building in Muscatine to have hands on experiences with farming and farm animals. Then off to Weeds Park for lunch and play time.

A few of the new field trips include: Channel Cat Ferry ride, River Bandits ballgame, roller skating, Machine Shed Restaurant for a cooking class/snack, Hy-Vee store, Cold Stone Ice Cream store and horse/buggy rides. Once again the children will be having their swimming lessons at the Bettendorf YMCA.

Circa 21, rocket park, Music on the lawn, VBS, Wapsi center, Fun town, Niabi Zoo, Putnam and Bettendorf Museum are some of our favorite trips we do every summer.

We will be using River Bend Transit for all our busing trips. We usually have extra seating on the bus if anyone would like to volunteer for our field trips.

We still have a couple openings for the school age children if anyone needs care for the summer.

The children have been doing activities with the color purple, while they learn about the color purple and the salvation of Lydia, a dealer of purple cloth. Father’s Day and the prodigal son will be talked about while the children make Father’s Day presents to show their love and respect. At the end of the month the children will be seeing black and white, while talking about the prayers of Peter and John for the blind man.

Little Blessings Daycare is participating in Birdies for Charity. Pledge forms are available in the daycare and in the fellowship hall if anyone would like to make a pledge. Forms need to be in by June 28th. Any questions, please give us a call at the center.

In Christ,
Terrie
