Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

June 8th will start our School Age Summer Program. The children will be busy this summer with several field trips planned each week, along with swimming lessons provided by the Bettendorf Y. We still have one full time opening for our summer program if anyone knows of a family in need of care.

Little Blessings Daycare will once again be participating in John Deere’s BIRDIES FOR CHARITY. Forms will be on the table in the fellowship hall for anyone wanting to make a pledge. Pledge forms are also available in the daycare. John Deere will match all pledges by 10%. All money raised from Birdies for Charity will go toward our playground. Pledge forms need to be turned in by July 1st.

The center has received \$1000.00 worth of equipment for participating in a Brain Development Training and a Special Care Inclusion Training from Scott County Kids. It’s such a blessing to have a wonderful organization that helps Daycares with trainings and free equipment every year.

During the month of June, the children will learn about Pentecost, and the importance of the color red, along with the bright yellow light that Paul the apostle saw on a trip to Damascus. During Father’s Day week, the children will learn about the lost son, and how his father greeted him when he returned home, just like God loves us and welcomes us each and every day.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith in God and enjoy this life God has given to everyone of us. May God Bless you and your families now and always.

In Christ,
Terrie
