Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

Praise God for giving us a few warm days during February so the children could spend time outside. Getting the children outside to play sure makes a difference in the children.

During the month of February the children talked about how special each and everyone of us are to Jesus. The children were encouraged to show appreciation and affection to others and to be good friends to the children in their classrooms.

Valentine’s Day and President’s Day gave the children many activities to learn about being a loving and caring person, and learn about leaders.

During the month of March the children will be learning why Zacchaeus climbed the tree, and several facts about trees and seeds. We will be going green with St. Patrick’s day.

The daycare has signed up with GoodSearch.com to participate in their fundraiser for Charity. GoodSearch.com will donate a penny every time anyone uses them for their search engine if they have chosen us for their charity. GoodSearch.com also contributes a % for on-line sales to several of the popular stores such as Target, Best Buy and Amazon. If you’d like to help the daycare out, please sign on to goodsearch.com and put Little Blessings Daycare in as your chosen charity. GoodSearch.com will do the rest. Donations may be monitored on their website. GoodSearch.com has been used almost 500 times since we started the end of January. Thanks to all who have used this wonderful program.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith about God and enjoy this life God has given to each of us. May God bless you and your families now and always.

In Christ,
Terrie
