Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

The daycare will be taking on a new look March 20th. The hallway will be painted in the daycare. If we receive enough volunteers the hallway leading to the fellowship hall will be painted also. If you enjoy painting and have a few extra hours, come join us on Saturday morning. Breakfast provided.

During the month of March the children will be learning about Zacchaeus climbing into a tree to see Jesus. They will be exploring and talking about how Jesus has made the trees, seeds, nuts, leaves and animals associated with trees. We will learn about recycling and doing our part to help keep our planet clean. The children will talk about good soil and bad soil, along with growing seeds. After playing in the dirt, the children move on to the Easter season. The children will learn about the celebration of Jesus’ death and resurrection. The children will talk about how sad it was that Jesus died but happy that he now lives.

The Pre-K will be finishing up on the letter O and working on the letter P, Q, R and S during March. We will be introducing the planets, making a sandwich quilt, learning about reptiles and will be doing spring activities during our S week.

Last summer our daycare children grew cucumbers and zucchini on our playground. This year we will have a larger garden with several new vegetables. Watch for more details.

With summer soon approaching, our list for school age children is growing. If you need summer care or know of a family that does, please contact the daycare office.

The daycare is looking for an adult with childcare experience to help with our summer school age program. We are also looking for an on-site supervisor in the afternoons for the daycare. If anyone is interested or knows of anyone that might be interested, please e-mail a resume to:

LBDC@risenchristdavenport.org or contact the daycare office for an application.

In Christ,
Terrie
