Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

I'd like to thank the members of the church who have donated toys and supplies to the center. The children really appreciate it when they have new toys to play with.

The daycare will be participating in John Deere Birdies for Charity once again. Anyone interested in making a pledge may pick up a pledge paper in the daycare or in the fellowship hall.

April was a busy month with the PreK children going to Circa21 to see June B. Jones. The children can't wait to go back in July to see Pinkalicious. This is such a great experience for the children to be able to go to Circa2.

During April the center welcomed three new children. The center is once again full, but will have a couple openings this summer due to children moving on to Kindergarten.

May 3rd Little Blessings will have seven children graduating from our program and going off to Kindergarten this fall. Each child will be given a diploma and bible during our 10:30 church service. Five of the seven children have been at Little Blessings since they were infants.

Our summer program will welcome two teachers back from last year and one new teacher. Christine will join us the end of May. She has worked at other daycares and is going to school for Elementary Education.

The month of May the children will be talking about the widow who fed the prophet Elijah, the foolish man who built his house on the rock, and the lost sheep.

As part of our mission at Little Blessings Daycare, we will continue to provide fun and safe opportunities to grow in faith about God and enjoy this life God has given to everyone of us. May God Bless you and your families now and always.

In Christ,
Terrie
