Little Blessings – “Proclaiming the good news of salvation through Jesus Christ to children and their parents through a high quality child care program.”

It's hard to believe you're into November already. There have been so many activities and changes going on in the daycare this year. The center has been blessed with wonderful staff, and an outstanding bunch of children. We thank the Lord for all the blessings he has given the daycare.

We started off in October going to the Wapsi Pumpkin Patch. We had an enjoyable time on the hayrack ride, finding and picking out our pumpkins in the mud. When all that fun was done, we had a short lesson on how bees help the farmers, and how pumpkins are like us, everyone has a mom and a dad.

Our Open House during Family Fun Fest was a big success. The teachers enjoyed talking with the parents and the children loved trunk or treating, the bouncers and getting their pictures taken. The center received \$150.00 worth of books from our Scholastic Book Fair that was held during the open house/fun fest.

November the children will be learning about Moses in the burning bush and Moses helping the people of Israel gain their freedom from Egypt. Before Thanksgiving the children will be talking about frogs and how frogs were one of the ten plagues that God sent to Egypt to convince Pharaoh to let the Israelites go. Then we get into Thanksgiving and we will be talking about celebrating thanksgiving and the food (manna and quail) that God provided for the people of Israel while they were in the wilderness.

November 18th, the daycare will be serving a Thanksgiving lunch to all our parents. It's so wonderful to see the parents change their schedules to spend the extra time with their children.

December 8th will be our Christmas program. Everyone is invited to attend our program and enjoy fellowship time with the daycare families.

In Christ,
Terrie
